

## INSTRUCTIONS FOR CALLING IN A FIRE EMERGENCY (Via the R/T)

1. CLEAR RADIO CHANNEL by calling, "EMERGENCY , EMERGENCY EMERGENCY".
2. Wait for your call to be acknowledged by Ernslaw Base, Ernslaw Security or Dispatch.
3. Remain calm, GIVE YOUR NAME and CALL SIGN and report that you have a FIRE situation.
4. Provide details as requested eg SIZE OF FIRE, LOCATION, WHAT IS BURNING, WEATHER CONDITIONS, and ASSISTANCE REQUIRED Etc.
5. Ernslaw Base will call 111, The PRFO, Duty Officer, etc for you.
6. Your personal safety is paramount if are involved in the initial attack for the fire first ensure it is safe to do so and then let Ernslaw Base know this, **before** you lose radio contact with them.
7. Otherwise maintain communication with Ernslaw Base and remain on standby to receive further instructions.

If you don't get acknowledged over the R/T within one minute of your initial radio call, then get to a position where you can access the national 111 system as soon as it is safely possible.
